

L4 Advanced Courses

20th June 2016.

Dear Learner/Colleague

Reference: L4 Advanced fully funded courses

Congratulations to our completing level 3 learners. I am pleased to advise that following our annual contract review with our new funding agent CTG, TLT have been allocated full funding for the Level 4 Advanced Beauty Therapy and Salon Management qualifications.

Please see below the study options available:

- **L4 Advanced Beauty Therapy. 1 day per week 10-5pm (Tuesday) for 34 weeks.**
This is a vocationally related qualification, which will prepare you to gain employment as an Advanced Senior Beauty Therapist, as the units contained in this qualification covers all of the skills and knowledge required for this role. **Applicants must have completed L3 BT to enrol.** Advanced treatment techniques contained in this qualification include, IPL Hair Removal and Skin Rejuvenation, Dermatology and Microbiology, Physiology of Aging, Management, Marketing, Advanced Electrolysis for Skin Tag removal, Thread Veins plus so much more.
- **L4 IPL Hair Removal & Skin Rejuvenation. 1 day per week x 12 weeks**
This qualification focusses on reducing hair growth and photo rejuvenation of the skin, using Intense Pulse Light and Laser treatments. On this course you will study a comprehensive range of clients, treatment applications and research into this sought after salon service, which will enhance your employability working at this level. (IPL hair removal and skin rejuvenation can be studied singularly, however for insurance purpose this combination course is recommended).
- **L4 Salon Management Certificate.**
Salon management is designed to enhance your career development depending on your business requirements. This qualification allows you to develop management and technical skills that will prepare you to gain employment as a salon manager. This course will include research into the Hair and Beauty sector and is therefore suitable for both Hairdressing and Beauty Therapy learners. This qualification will support employment both in the UK and Overseas.

For more information please contact us on **0208 462 3662** to speak to either **Libby** or **Tracey**. TLT will be happy to design a suitable programme for you to enhance your career aspirations. This is a great opportunity, however spaces are limited to avoid disappointment call us today.
